

Family of the Month for April of 2025 Ulisses and Lucero Kullick

We love to do things as a family, mainly having great conversations and having fun. Ulisses and Lucero love arts. Hans is about to graduate from SJS and will attend Trinity in the fall. He likes sports and to hang out with friends. For the last two years he represented SJS for the Faith Bee in the Diocese, he is an altar server and enjoys Youth group in SJ parish. Ruben is a great artist, he loves to draw, to sing and he is also practicing Challenger Baseball (great group for special needs kids). Ruben attended Special Religious Education in SJ and did his First Communion on May 2024. We attend as a family to Autism groups activities, and we try to support each other the best we can. We pray to go through life holding Jesus on one hand and our blessed Mother Mary in the other.
